(Company Registration No. 199904785Z)

ANNOUNCEMENT

Media Reports on Transfer Pricing Investigation by Indonesian Authorities

With reference to recent media articles on Wilmar International Limited (“**Wilmar**”) being named as one of the 10 palm oil companies under investigation by the Indonesian authorities for suspected under-invoicing and transfer pricing of exports, Wilmar wishes to clarify that we have not received official notification of the probe mentioned in the articles but we are working with the relevant authorities to understand their concerns.

If and when we receive official notification that Wilmar is under investigation for suspected under-invoicing and transfer pricing of exports, we will update the market accordingly.
