

## NDPE Sugar Mills

Below you find a list of mills, which are included in the [NDPE Sugar](#) programme and went through our due diligence procedure. All mills work to continuously improve the NDPE Sugar principles implementation in their organizations.

### **NOTE TO BUYERS**

Buyers who purchase directly from the listed mills are not permitted to claim or market their products as NDPE Sugar unless they are formally committed to Wilmar's NDPE Sugar programme.

Any use of the NDPE Sugar claim without formal commitment may be considered a misuse or misrepresentation of the NDPE Sugar programme, and action may be taken where necessary.

This list currently only displays mills from Thailand. For mill information from other sourcing countries or more information to enquire about the commitment process, please contact the NDPE Sugar team at [wil-ndpesugar@sg.wilmar-intl.com](mailto:wil-ndpesugar@sg.wilmar-intl.com)
