

APRICOT EXFOLIATING NATURAL SCRUB

Long-lasting moisturizing
Excellent cleansing
Category - Toiletries

APRICOT EXFOLIATING NATURAL SCRUB - TECHNICAL APPLICATION SHEET

Formulation n° EW2001154

MANUFACTURING PROCESS	INGREDIENTS	INCI / CHEMISTRY	FUNCTION	WEIGHT %
Phase 1 Heat all ingredients to 75° with gentle stirring.	ERCAGREEN 3S - ErcaWilmar	Polyglyceryl-3 Stearate	Emulsifier	5,00
	ERCATENS PGO V - ErcaWilmar	Decyl Glucoside, Glyceryl Oleate	Cleansing Agent	4,00
	Prunus Armeniaca Kernel Extract	Prunus Armeniaca Kernel Extract	Scrubbing Agent	6,00
	Kaolin	Kaolin	Conditioning Agent	40,00
	Xanthan Gum, Lecithin, Sclerotium Gum, Pullulan	Xanthan Gum, Lecithin, Sclerotium Gum, Pullulan	Gelling Agent	0,30
Phase 2 Mix the ingredients and heat up to 75°C while stirring. Add Phase 2 to Phase 1 while stirring and homogenize very briefly in order not to destroy the scrubbing agent.	Water, Demin.	Aqua	Solvent	q.b. to 100
	ERCAMILD LS 30 - ErcaWilmar	Sodium Lauroyl Sarcosinate	Mild Cleansing Agent	10,00
Phase 3 Cool down to room temperature and then add the fragrance.	Fragrance - Expressions Parfumées	Parfum	Fragrance	0,50
Phase 4 Add the preservative system under stirring and adjust the pH to 5,0 - 6,0.	Preservative System	Preservative System	Preservative System	q.b.
	Lactic Acid	Lactic Acid	Buffering	q.b.

PRODUCT SPECIFICATIONS:

Appearance: Paste - pH: 5,0 - 6,0 - Viscosity (Brookfield DV-E, 20°C): N. A. - Not microbiologically tested.

HOW ERCA-WILMAR INGREDIENTS ADD VALUE TO THIS FORMULATION:

ERCAGREEN 3S (Polyglyceryl-3 Stearate): polyglyceryl ester used as a non ionic O/W emulsifier derived from natural sources. Recommended in PEG-free formulations.

ERCAMILD LS 30 (Sodium Lauroyl Sarcosinate): mild anionic surfactant with a high foaming power, used in toiletries. It is easily biodegradable. Indicated in all tensioactive cosmetic preparations.

ERCATENS PGO (Decyl Glucoside, Glyceryl Oleate): a key ingredient for this formulation for its properties as surfactant and cleansing agent. It also acts as an emollient and moisturizing.
