

WILSILK CS 110

Plant-Based, PEG-Free

Multifunctional Polymer that Naturally Thickens Oil

NATURALLY THICKENS OILS

100% plant-based, **WILSILK CS 110** is a versatile, biodegradable oil thickener, PEG and synthetic-free.

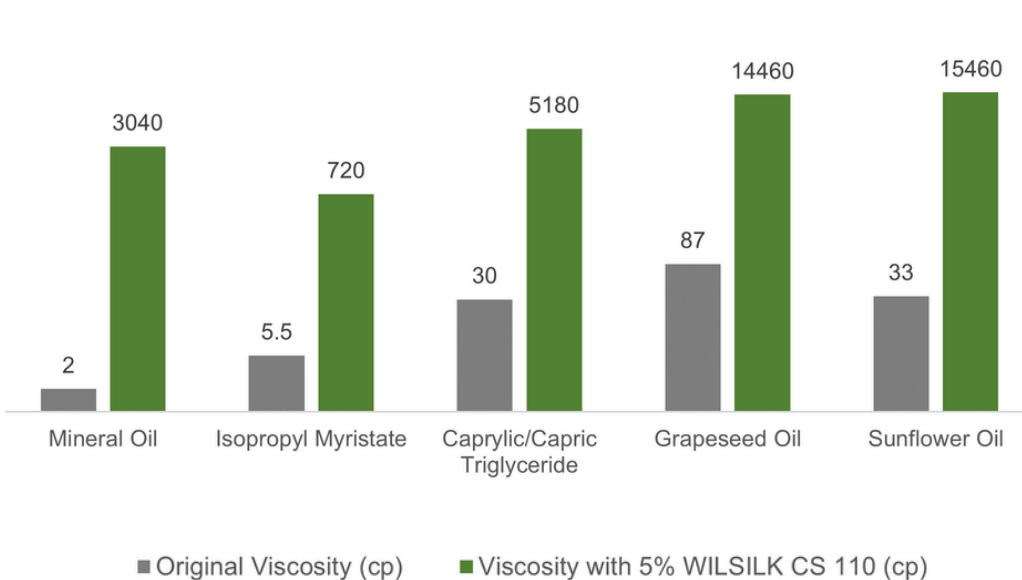

GREEN TECHNOLOGY

Our sustainable polymer is made with metathesis, a **Nobel Prize winning technology** that creates plant-based multifunctional polymers for personal care applications.

ACHIEVE MORE WITH PLANTS

Even in small dosage, WILSILK CS 110 powerfully thickens a wide variety of plant, mineral, and ester oils. With just 5%, it can increase viscosity of sunflower oil by **468 fold**.

Oil Viscosity with 5% of WILSILK CS 110

INCI NAME

Hydrogenated Soy Polyglycerides (and) C15-23 Alkanes

FEATURES

BIODEGRADABLE

PLANT-BASED

NATURAL ORIGIN INDEX 1
ISO 16128

HALAL, KOSHER & VEGAN

PEG-FREE

OFF-WHITE TO BEIGE COLOUR

LOW MELTING
118-140°F | 47-60°C

BUILDS VISCOSITY
In Oil-Based Formula

COMPATIBLE
With Natural and Mineral Oils

It's Better with Plants

With WILSILK CS 110, achieve higher thickening efficiency when used with plant oils.

As an oil thickener, **WILSILK CS 110** outperforms synthetic polymers and natural waxes in performance and flexibility.

Appearance: Off-white solid
Stability: 50°C (1 month), 40°C (3 months), RTP

FEATURED PRODUCTS

WILSILK CS 110

Hydrogenated Soy Polyglycerides (and) C15-23 Alkanes

Polymer that provides oil-phase thickening and film-former functionality.

WILFAESTER MCT

Caprylic/Capric Triglyceride

Hydrating, multi-purpose emollient for depilatory, skin moisturizers and bath additives. Also used in body, hand, sun and baby care rinse-off & leave-on formulations.

WILSILK ULTRA

Dodecane (and) Pentadecane (and) Octadecane

Bio-based alternative to silicone, made from natural oils.

WILSHEA Prime

Butyrospermum Parkii (Shea) Butter

Anti-inflammatory emollient, used in moisturizers and hair leave on products.

FORMULATION BAR

Perfume

BLOOMING FRAGRANCE BALM

Indulge in your favourite scent, for a moment of peace on the go. Formulated with **WILFAESTER MCT**, this perfume stick delivers lasting fragrance with feather light after feel, thanks to **WILSILK ULTRA** and **WILSILK CS 110**.
