

CNV video “*How to improve labour conditions in Indonesian palm oil plantations*”

Earlier in 2018, we opened our doors to CNV, a Dutch-based union federation, to film at PT MSS and speak to our workers on camera. The video produced wholly by CNV is available in [English](#)¹ and [Bahasa Indonesia](#)².

The video came after several months of direct engagement and collaboration with CNV and their union affiliate in Indonesia following the publication of their labour case study in June 2017.

For more detailed information please see our latest [sustainability brief](#)³.
