MEDIA REPORTS ON DAMAGE TO WILMAR FACILITY IN UKRAINE

Singapore, April 20 2024 – Wilmar International Limited (“**Wilmar**”) refers to recent media reports that a terminal belonging to Wilmar has been damaged by a Russian missile attack on the Black Sea Ukrainian port of Pivdennyi and wishes to confirm that a tank terminal facility located in Pivdennyi, Ukraine, which is owned by its 80% Ukrainian subsidiary, Limited Liability Company “Delta Wimar Ukraine”, was struck by a missile on 19 April 2024.

We are relieved to report that there were no casualties as a result of this unfortunate incident. An assessment of the extent of the damage caused will be carried out as soon as the fire at the facility is put out. We will continue to prioritise the safety of our people and the integrity of our operations. A statement containing more details of the incident will be issued in due course.

About Wilmar

Wilmar International Limited, founded in 1991 and headquartered in Singapore, is today Asia’s leading agribusiness group. Wilmar is ranked amongst the largest listed companies by market capitalisation on the Singapore Exchange.

At the core of Wilmar’s strategy is an integrated agribusiness model that encompasses the entire value chain of the agricultural commodity business, from origination, to processing, branding, merchandising and distribution of a wide range of edible food and industrial products. The Group’s business activities include oil palm cultivation, oilseed crushing, edible oils refining, flour and rice milling, sugar milling and refining, manufacturing of consumer products, ready-to-eat meals, central kitchen products, specialty fats, oleochemicals, biodiesel and fertilisers as well as food park operations. It has over 1,000 manufacturing plants and an extensive distribution network covering China, India, Indonesia and some 50 other countries and regions. Through scale, integration and the logistical advantages of its business model, Wilmar is able to extract margins at every step of the value chain, thereby reaping operational synergies and cost efficiencies.

Supported by a multinational workforce of about 100,000 people, Wilmar embraces sustainability in its global operations, supply chain and communities.
