### **UPDATE ON DAMAGE TO WILMAR FACILITY IN UKRAINE**

*Singapore, 22 April 2024* – Further to the statement dated 20 April 2024 issued by Wilmar International Limited (“**Wilmar**”) confirming that a tank terminal facility located in Pivdennyi, Ukraine, which is owned by its 80% Ukrainian subsidiary, Limited Liability Company “Delta Wimar Ukraine”, was struck by a missile on 19 April 2024, Wilmar wishes to inform that an assessment of the damage caused has been made and it is estimated that it will take approximately 6 months to rebuild the oil tanks destroyed in the missile attack. This incident will not have a material impact on the Wilmar Group’s results for FY2024.

Operations will resume as soon as the relevant clearances are obtained from the local authorities, which is expected in the coming weeks.

#### **About Wilmar**

Wilmar International Limited, founded in 1991 and headquartered in Singapore, is today Asia’s leading agribusiness group. Wilmar is ranked amongst the largest listed companies by market capitalisation on the Singapore Exchange.

At the core of Wilmar’s strategy is an integrated agribusiness model that encompasses the entire value chain of the agricultural commodity business, from origination, to processing, branding, merchandising and distribution of a wide range of edible food and industrial products. The Group’s business activities include oil palm cultivation, oilseed crushing, edible oils refining, flour and rice milling, sugar milling and refining, manufacturing of consumer products, ready-to-eat meals, central kitchen products, specialty fats, oleochemicals, biodiesel and fertilisers as well as food park operations. It has over 1,000 manufacturing plants and an extensive distribution network covering China, India, Indonesia and some 50 other countries and regions. Through scale, integration and the logistical advantages of its business model, Wilmar is able to extract margins at every step of the value chain, thereby reaping operational synergies and cost efficiencies.

Supported by a multinational workforce of about 100,000 people, Wilmar embraces sustainability in its global operations, supply chain and communities.
